Other	N/A
Commercial Price List	<b>Soma Technology's Commercial Price List Effective September 1, 2012</b>
No Awards	N/A

**b. Tracking Customer:**

552.238-75 Price Reduction Clause and 552.243-72 Modifications for the purpose of the Price Reduction provisions and Price Increase provisions of this contract, the Government and contractor agree that this contract shall be predicated on the following customer(s) or category (ies) of customer(s): **"all commercial customers"**. During the course of this contract, for any sales under the maximum order, the price relationship of **0.70- 0.96** shall be maintained. This is not applicable for deviation sales previously disclosed.

If the identified tracking customer's contract/agreement has been canceled, terminated, has expired, or the tracking customer has merged with another group, the *assigned contract specialist shall be notified within 10 days after the event occurs*, and if possible, before the event occurs. At such time the Contractor will negotiate in good faith with the Contracting Officer to establish a successor-tracking customer.

**c. Economic Price Adjustment:**

552.216-70 Economic Price Adjustment Clause- FSS Multiple Award Schedule Contracts (of the solicitation applies to all items awarded under this contract.

**d. Annual Rebate:**

An annual rebate has *been* negotiated and awarded under this contract.

2% annual rebate for all sales made under this contract over \$500,000 or 3.5% annual rebate for all sales made under this contract over \$1,000,000.

Rebate timeframe: October 1, 20XX- September 30, 20XX.

Within 30 calendar days after the end of each rebate year (September 30, 20XX) of the contract, the Contractor shall furnish a statement to the assigned Contract Specialist certifying the rebate value of sales made under the contract. Subsequently, the Contractor will receive a bill for collection (BOC), or invoice, requesting payment for the rebate amount due. The Contractor will submit payment to the Department of Veterans Affairs, referencing the SOC (invoice) number and the statement, "Annual Rebate under contract V797P/D-XXXXX." Any amount not paid within 30 calendar days from the date of the BOC described above, shall bear interest in accordance with clause 52.232-17, Interest. Any controversies concerning the amount due to the Government shall be subject to the Disputes Clause

**e. Tax ID Number:**

Your Tax I.D. number may be included on the published pricelist to facilitate payment by ordering activities.

The sole purpose of funds provided by the accounting data in Block 25 of the SF1449 is to fund the guaranteed minimum of \$2,500 as stated in contract clause 1-FSS-1 06; however, ***the funds obligated at time of award do not constitute an order for supplies or services under this contract***
